

# Switzerland of Ohio Local School District

## Chromebook Insurance Grades K-12 (optional)

If students and parents/guardians would like to purchase insurance, the Switzerland of Ohio Local School District will provide an optional protection plan through the District. This protection plan covers any negligent damages that are not intentionally done with no deductible.

The protection plan is \$35.00/year for students. Families with two students will pay \$30.00/year per student. Families with three or more students will pay \$25.00/year per student.

The student must enroll in the plan by September 30, 2024. This annual coverage begins upon receipt of the payment and ends at the conclusion of each school year. The \$35.00 payment is non-refundable and only cash or money orders will be accepted for payment. Money orders should be made out to the Switzerland of Ohio Local School District. No personal checks will be accepted for the insurance payments for the 2024-2025 school year. Please be advised that insurance through the Switzerland of Ohio Local School District does not cover lost or stolen devices, cases, or cords. Any item lost or stolen will have to be replaced at the cost of the student and/or parent(s).

**Please sign and return along with cash or money order.**
