Please DON'T put your child's name on any of the supplies. We will have labels typed out with their names on them.

The only thing we will need in their book bag on the first day is the following information: child's name, parents' name and contact information, in case of emergency contact information, and his or her dismissal information. For example, if your child rides a bus please indicate the bus driver's name he/she will be riding to and from school. I know the supplies seem to be a lot but they will last all year long 😊
